# EFFLO™

## EFFLORESCENCE & CALCIUM REMOVER

### IDEAL for CONCRETE GOATING PREP

#### Cleans Concrete, Brick, Tile, Grout, Stone & More!

1 US GAL (3.785 L)

**CAUTION: Will Etch Masonry At Strong Dilutions!**

**FRONT 9 RESTORATION**  
The World's Best Restoration Cleaners

**COVERAGE:** One gallon of F9 EFFLO™ covers 200-400' of porous masonry and up to 1,200' of sealed or non-porous masonry. Application rates will vary depending on the amount of staining, porosity of the substrate and if the surface was sealed.

**Suitable Substrates:** F9 EFFLO™ can be used on a variety of surfaces, including concrete, bricks, pavers, limestone, sandstone, riverstone, exposed aggregate, stucco, shingles, EIFS, glass, synthetic stone, anodized aluminum, unpolished marble and other surfaces.

**Unsuitable Substrates:** May not be suitable for polished or glazed surfaces. Not for use on metallic or other synthetic coatings or films. Do not use on acrylic and polycarbonate sheet glazing. Always perform a test to ensure compatibility.

**MIX RATIOS:**  
(Water to Product) For Concrete, Brick, Pavers, Grout & Masonry

Always Add Acid to Water, NOT Water to Acid.

**INSTRUCTIONS:**

1. Pre-Clean surface, if necessary.

2. Mix F9 EFFLO solution.

3. Mist surface with water so it is damp, but not puddling.

4. Spray product on surface, let dwell for 20 seconds-3 minutes.

5. Scrub surface as necessary, let dwell for another 1-15 minutes.

6. Analyze results, repeat steps 3-5 if necessary and/or adjust dilution.

**NOTE:** Several mild applications are better than a single strong one.

**CAUTION: DANGER! HANDLING:** Avoid contact with aluminum, other metal surfaces and dilute with water when using on glass. **CAUSES SEVERE BURNS, MAY CAUSE PERMANENT EYE INJURY.** Do not get in eyes, on skin or on clothing. Avoid possible vapors. Always ensure adequate ventilation is available. Use of an acid vapor respirator may be necessary in enclosed areas. Wear goggles, protective gloves and protective clothing when handling. Do not inhale or swallow. Wash thoroughly after handling. Keep container closed. **CONTAINER ADVICE:** Keep closed to prevent leakage. Do not drop onto or slide across sharp objects. Replace closure after each withdrawal. Remove closure slowly to relieve possible internal pressure. Improper disposal or reuse of this container may be dangerous and illegal. Since emptied containers contain product residue, follow label warnings even after container is emptied. **FIRST AID: EXTERNAL:** Wash with water. **EYES:** Flush with water for 15 minutes. See physician immediately. **Internal:** Drink large quantities of water. Call physician immediately. **USER ASSUMES ALL RISK.** This product is sold with exclusions of all warranty, expressed or implied, statutory or otherwise. **KEEP OUT OF REACH OF CHILDREN. DO NOT FREEZE.**
