# DOUBLE EAGLE™

CLEANER ★ DEGREASER ★ NEUTRALIZER

FRONT 9  
RESTORATION  
The World's Best  
Restoration  
Cleaners

HIGHLY CONCENTRATED

Foaming-Action  
Alkaline Detergent

MULTI-PURPOSE CLEANER

1 US GAL (3.785 L)

**NOTE:** F9 Double Eagle™ is a concentrated high foaming alkaline detergent. It is formulated with alkaline builders, emulsifying agents and biodegradable surfactants, making it a great general cleaner and heavy degreaser.

**OTHER USES:** F9 Double Eagle™ is excellent at removing oils, grease, soot and environmental accumulation.

### MIX RATIOS:

(Water to Product) For Concrete, Brick, Pavers, Tile, Stone, Grout, Masonry, Hard Surfaces, and most surfaces in general. Great for food grease, dumpster pads, oils, loading docks, gas stations, parking garages, tire marks, and general cleaning of many surfaces.

Very Heavily Soiled	1:1
Heavily Soiled	4:1 - 8:1
Moderately Soiled	8:1 - 12:1
Lightly Soiled	12:1
General Neutralizing*	12:1

\*Spray on surface to be neutralized. Broom in if necessary. Rinse or surface clean. Always check wastewater to make sure final discharge pH is correct for City BMP's.

### INSTRUCTIONS:

**Direct Application:**  
Pump Sprayer, Electric or Air Diaphragm. Dilution depends on soil level. Product may be diluted up to 20:1. Dwell 5-15 minutes and surface clean. Brushing may be useful or use 175 Floor Tool with Brush.

**Downstream Application:**  
Use a downstream injection system capable of giving you the desired dilution rate.

**X-Jet Application:**  
Dilute product to give you the desired dilution rate.

**CAUTION: DANGER!** MAY CAUSE PERMANENT EYE INJURY. Do not get in eyes, on skin or on clothing. Avoid possible vapors. Always ensure adequate ventilation is available. Use of an acid vapor respirator may be necessary in enclosed areas. Wear goggles, protective gloves and protective clothing when handling. Do not inhale or swallow. Wash thoroughly after handling. Keep container closed. **CONTAINER ADVICE:** Keep closed to prevent leakage. Do not drop onto or slide across sharp objects. Replace closure after each withdrawal. Remove closure slowly to relieve possible internal pressure. Improper disposal or reuse of this container may be dangerous and illegal. Since emptied containers contain product residue, follow label warnings even after container is emptied. **FIRST AID: EXTERNAL:** Wash with water. **EYES:** Flush with water for 15 minutes. See physician immediately. Internal: Drink large quantities of water. Call physician immediately. **USER ASSUMES ALL RISK.** This product is sold with exclusions of all warranty, expressed or implied, statutory or otherwise. **KEEP OUT OF REACH OF CHILDREN. DO NOT FREEZE.**
