

# L-SERIES

Timberline's series of large walk-behind floor scrubbers are high-performance, battery-powered units with over 3 Hours Runtime. This means increased productivity while cleaning large open areas; like Airports, Grocery Stores, and Malls. Like all Timberline units the L-Series' pads, disks, and squeegees are all changeable without tools. Choose the cylindrical brush option to save even more time & money by practically eliminating the need to pre-sweep.
