

M-SERIES

Timberline's series of medium walk-behind floor scrubbers are built with performance and durability in mind; capable of cleaning nearly any surface, including specialty applications like Grouted Tiles and Rubber Field Tracks. Easily maneuverable, the M-Series provides consistent cleaning allowing you to get the job done faster time after time. These units are ideal for Gyms, Cafeterias, Larger Hallways, and any work space under 50,000 ft². With pads, disks, and squeegees all changeable without tools these units are easy to operate and maneuver, increasing productivity
